

Basil's Rhyme Time

ITSY BITSY SPIDER

The itsy bitsy spider took a bus to **town**,

Where she met a princess wearing a gold **crown**.

The two became the best of friends, went shopping at the **mall**;

And there they found a toy store, and bought a big red **ball**.

The spider and the princess went to a big shoe **store**;

The princess found some pairs she liked and bought an even **four**;

The spider found a pair that she thought was very **neat**,

But the store couldn't help her, she had too many **feet**.

The spider and the princess went to play **outside**;

There they found a playground and took turns on the **slide**;

They played at the park until it began to **rain**,

Then the spider went home, and took the evening **train**.
