

# Instructions

1. Print the box and lid on regular paper or cardstock and cut out the pieces. Cut a slit in the center of the top of the lid where indicated with a thin white line. Make all folds along dashed lines.
2. Complete the shape of the box by securing all tabs to their corresponding pieces using glue or double-sided tape, starting with the A tabs.
3. Complete the shape of the lid by securing all tabs in alphabetical order.
4. Secure the two halves of the crown together, then fold over the top of the lid and secure it to the F panels.
