

### What You Will Need

- Color printer
- Heavyweight paper (we suggest 65 lb. paper)
- Cutting tools
- Double-sided tape or glue
- Silver paper fasteners
- Note: Cutting is intended for grown-ups only

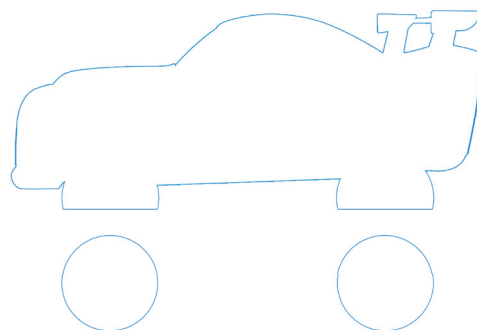

### Instructions

**1.** Print your pages. Set aside to dry.

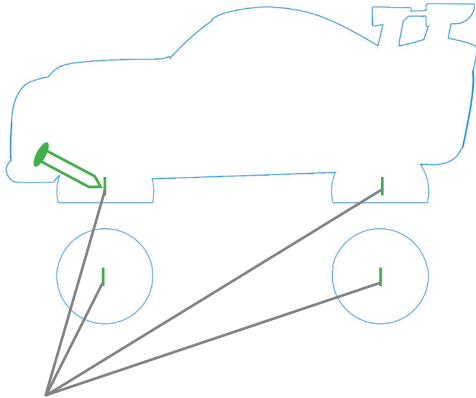

**2.** Cut out the car and tire shapes, cutting **ONLY** the solid green lines.

**3.** Punch the paper fastener through the green lines on both the car piece and the tires as shown below.

Push paper fastener through

**4.** Once you have made the holes, line up the tires over the car and secure the paper fastener through both the tire and the car piece.
